“ To the Family. As i spent only a few years with you all, I grew close to you all. And Julie was a great person. She always welcomed me with open arms into her home. I always enjoyed going through her vintage feel home and she had so many cool antiques. I will miss her dearly and cant believe its already been a month since her passing.

“ I am so very sorry and shocked to hear of Julie's passing. We were in the same graduating class at River High School. We were never close friends, but she was always so nice to me. I'll never forget her beautiful hair and wonderful smile. Hopefully, some comfort comes from knowing that she will be remembered fondly. My thoughts and prayers are with you.

“ *Shocked and saddened to hear of Julie's passing. Just by chance 2 weeks ago, I exchanged a couple of messages with her on Facebook after not seeing or hearing from her in 20 years or so. I will always remember her as a kind and fun loving person. She marched to her own beat and I always respected that! My condolences and blessing to her family.*

“ *To Felicity and Tiffany, your Mom was such a wonderful person. She had such a fun-loving personality. I don't think I heard her say anything bad about anyone. Well, there was one person (but, that isn't important now, but she deserved it). We were at Girl Scout summer camp the first time I met your mom. We were instant buddies and became life-long friends. I envied that long, beautiful brown hair of hers. I regret not getting to talk with her more often. Unfortunately, life sometimes gets in the way of important things we should keep up with. My condolences to the both of you and all of your family. May God bless and help you find strength during this time.*

“ Julie was one of the most sweet, careful people ever...whenever I would run into her, and hear her cheerful voice, it always made me smile. I have wonderful memories of being at her house when Felicity and I were little girls. She always found the simplest fun things for us to do and she was a wonderful cook! I wont forget cruisin with her and Felicity and Tiffany in her convertible or riding in her Mercedes. My thoughts and prayers are with her girls and family.
