“ I am sorry to hear of the passing of my old high school friend and "car nut" Brent. I worked at his uncle Paul's Bowling Alley in Glen Dale all through high school. I also was friends with his brother Daryl during our days at John Marshall with Daryl and I being on the wrestling team. I was a car nut and there were always cool cars and vehicle projects going on at the Reilley's garage down by the Bowling Alley. I often talked to Brent and Daryl's father Francis who took great enjoyment in running his Laundromat on the "Reilley lot." Brent loved cars and motorcycles and just hanging out with the multitude of people he and his family knew and with his close friends. Brent was a great guy. He never hurt anyone and I will remember him with a smile on his face which was his regular look. Prayers to his brother Daryl and his family and to Brent's surviving relatives.

“ *Kay and family,  
I am so sorry for the loss of Brent. My heart aches. Brent was an amazing man who I could talk to for hours. He will be missed. I always remember him as being the only person I know without a cell phone, but in true Brent style, he always told me where I could find him if I needed him. I'll miss him. So so sorry.
