“ I worked with Brett at varsity a few years back and we became pretty good friends. Even went to his high school graduation. We hung out a good bit while we worked together. He was a really good person. I remember when my son broke his arm Brett came up to the house to see how he was doing. I will never forget that. Unfortunately when we left varsity we didn't get a chance to talk that much. But I always considered him a friend and always will!! Glad to have had the experience to know him! My condolences to his family and friends.

“ I am so very sorry for your loss. I was Brett's 6th grade teacher at Glen Dale Elementary. I remember him to be such a polite, helpful, and caring young man who often had a story to tell and a smile upon his face! Even after I moved up to teach at the middle school, I would see him in the halls, and he always stopped to say “Hi” and ask how I was doing. He has made a lasting impression on us all.
