“ *Brian Lee u were my best friend. All of our late night talks or laughing for hours on our road trips. U never missed my birrhdya no matter where we each were. No matter where u were or what u were doing u were amd always will be in my heart. My fondest memory of u was the day i became your wife. My worst memory other than now was when u wrecked the 4 wheeler and i held your head to stop the bleeding until help got there. I will always love u and u will never be forgotten. Rest Easy and Fly High. Keep your grandma and aunt Jackie company until we meet again*
