“ *RIP Brian and to his family, I'm so sorry for your loss! Brian was always a hard worker who would do whatever he could for anyone. He was down to earth and funny. I tagged along with him and my brother occasionally when we were kids and sometimes we would get into trouble together. Once he helped me with moving to my new apartment but he wouldn't let me pay him and that day when we went to dinner with other friends he still insisted on paying for everyone. He was kind and generous and I know how much he'll be missed by so many people!*
