“ *Sorry to see this. Brian Long was a great guy. So personable and a terrific salesman. I've known him since the Dale's Pontiac days when I was working for GMAC and followed him throughout his career. Brian was always quick with a smile and a "short" one more story always quick to make us both laugh. My sincere sympathies and heartfelt condolences go out to Brian's parents and family.*

“ *I'm saddened to hear the news of Brian's passing. I worked with him @ Heck's for years. I knew him to be an intelligent, kind and fun-loving gentleman who worked hard and was all things cars. I knew Brian would make at least two yearly trips to attend NASCAR races, the Daytona 500 and the Brickyard 400. To this day I think of him when these races occur and even when they're just mentioned. My heartfelt condolences and prayers to his loved ones. May you be comforted by fond and loving memories during this most difficult time.*

“ My sincerest condolences to Brian's family. I have known Brian since the 1980's when he made my dream come true to own a Firebird. He was always fair in his dealings. I bought all of my cars off of him. I spoke to him whenever I went up to the dealership. He always got me a pop and we had many talks. I just found out today. I knew he had after-effects of COVID and had been ill. God Bless you Brian! My life was better with you in it. Much love.
