“ *Dear Twila, Janelle, Steve, Tabi, and families, Our hearts go out to you all at this sad time. Brian was a kind man. His quiet nature made him even more sincere. I remember him being a good father when I had Janelle in kindergarten. May God comfort you at this time and in the future. Brian's presence will be missed in the Duffy community and everywhere. Love, Bart and Joyce Wiggins*

“ *Brian was a very sweet, caring man who always was doing something for others. I remember him coming in almost daily, to the health care center to see a friend of his, bringing him the paper, just taking care of everything for him, whatever his need may have been. he also became friends with some other residents, bringing them different things, as well as words of encouragement and cheer. He always had a kind word no matter what. He was one of the most sensitive men that I have known. He will be sadly missed. He was a dear friend, and an inspiration to others.*
