“ Hello and my condolences to the family of Bruce. I grew up in Center Whg. and was a couple years behind Bruce at Webster. He was always good to me as we lived through the 60,s 70,s 80,s ,etc. I have nothing but good memories whether it basketball at 26th street, having a drink, or many dances with Bruce leading the band. He always had a smile and a handshake ready I'm sure he will be missed. Jerry Janeczko

“ I couldn't even begin to explain how many memories we have had together, you were around as long as I can remember and always made sure I was taken care of, when you didn't have to, just like my mom didn't have to chose to be your caregiver for as long as she did.. I never really knew what it was like to have a father yes that may be true, but you sure did treat me like one and I sure did feel like you were mine. I still remember the days like it was yesterday, on Father's Day at woodsdale elementary we had to write cards to our fathers and I wrote mine to you..every summer we spent at the pool and every time we took dipper for a run, every whistle you used to blow letting me and Bill know it was time to come in at night, gosh it's just so hard to believe it's all gone. In what feels like a blink of an eye but truly I've been with you every step of your long journey 😔 I want so badly to walk in my moms doors and see you sitting there waiting to ask me about my day and tell me how proud you are of me and how strong I am and to keep on going! Never stop! That I can do anything I want to as long as I want to! And that without family you don't have anything, those words will forever stick with me and I'm trying my hardest to continue on with my everyday life only because I know you're looking down on me kicking my ass for being down in the dumps and upset about it. You are in peace now, FINALLY and with grandma and that's what you deserve. To be whole and be healthy again. Everyone keeps saying your still here with me but it sure doesn't feel like it..rest easy my fighter, I love you more than I've ever told you and we ALWAYS told each other we loved one another, EVERYDAY. 💕💕 This is not a goodbye, it's a see you later

“ *The memories I hold is memories of a man who loved his children, and grandchildren to the moon and back. I will remember his lovely singing voice and his winning smile. I also will remember his antics of fun with me who he called "Queen". Rest in peace with the Lord and your loving Mother. I will listen to the wind and rain and sun for your laughter.. Love you always. Edna*

I will always have you in my heart dear Bruce. It seems like just yesterday you were singing with Blackhawk at the Voodoo on the island where we gathered every weekend. We had so many good times back then. Many memories of you when we were growing up. You were the brother my sister and I never had. I will always remember you and will keep you in my heart forever. I will see you in heaven Bruce. R.I.P. love.....Poge
