“ I've known Cam since he was a young boy. My aunt spend many days at his grandparents when he was young. His father and mother would often stop by the grandparents with the boys on their way to town. Cam grew up to be a great young man. Always kind and generous, a family trait.

God Bless his family and friends at this time. And know that Cam will be in heaven watching down over you, until your together again in heaven.

“ From : Marty and Terri Hewitt
Our hearts go out to the entire Chambers family. Cam was such a kind man who will be greatly missed. We have many fun memories of Mark and Evan growing up through the years. We had a very nice visit with Cam and his family at Oglebayfest and he just beamed telling us about the grandkids. That is a sweet memory of him that we will have. Many hugs and prayers are being sent from us at this most difficult time. May your many memories comfort you. Love to your entire family.

“ The Entire Donnie/Thelma Chambers Family were very similar . All 4 Boys had Thelmas kindness but they all had Donnies competitive nature with Great Athleticism. Never in all the years at Limestone can I remember any one of the Chambers boys starting trouble. Cam was the oldest and exemplified these character traits. Every kid in the community showed up at the Limestone Firehouse to play pick-up Basketball. Myself and Best Friend Mike Howard were about the smallest n youngest there but we always looked forward to being on Cams team. He treated us awesome and like we were as Good as everyone else. Faith in our Lord has turned my Life around so I believe that Heaven needed another Good man on the Team. Cam left an outstanding Family behind ,Our heart goes out to them, Mark,Linda n Travis Smith Family
