“ I sit before my only candle,
But it's so little light to guide my way,
Now this journey unfolds before my candle,
It gets shorter every hour as it reaches for the
day,
And I feel just like a candle fade away,
I guess I'll get there, but I wouldn't say for sure...

Go easy Carly and rest now

“ Lost a dear friend last evening I have been with him for over 50 plus
years. He had a heart of gold. Yes he could be contrary. Just got
close again in the last year. Fly high in heaven will always have a
special place in my heart ❤️
