“ To the McPeek family,
I had the pleasure to work with Carla at Greencastle E.S. and that led to meeting Gene. We always met ever year in June to catch up. Carla was a lovely woman and a wonderful teacher. We will all miss her dearly.

“ It's with great sadness I've learned of Carla's passing. She and Gene were dear friends of Jay's and mine and we enjoyed so many fun times together with our other Greencastle friends. Jay and I loved visiting them at their OC place and going out on the pontoon boat!
Carla was probably the best music teacher I ever had the pleasure to work with. I know that those of us who were her colleagues remember the incredible "shows" she put on each year. Carla's beautiful smile and infectious laugh brightened a room. As long time Lutherans, Carla and Gene knew there would be a place for them in "their Father's house." They're together again and isn't that wonderful thing!
May Peg and Meg and their families find some measure of comfort in their own memories which they hold in their hearts. Family was everything to Carla and Gene.
