“ To the family of Brother David:I was Brother's dentist for many years. He was not only my patient but we became friends. We corresponded ever since my retirement in 1997. I will miss not receiving a note from him on my birthday next month.Brother David was one of the most reglious persons I knew. We had manny wonderful talks and letters back and forth. The last time I saw David was when he was in Wheeling Hospital a year or two ago. Our last corrispondence was in December 2012. In his last letter he said he had been in Proctor for 47 years. He said I come from a very big family and that he was born on the side of the old Sunnybrook Golf Club in PA. He bragged about not missing to say the Rosary in 61 years.Brother David and you his family are in my prayers.May The Peace Of Christ Be With You All Always!! Sincerly Yours Bernard J. Grubler DDS
