“ Dear Beaver family,
We are sorry to know you are saying goodbye a very dear part of your lives and hearts. Carol was so very loved and so very loving. She reminds me of the song, “Brighten the corner where you are.”.....and that she truly did!. I can only imagine all the special memories you all have of times together. God be with you now and as you continue to make life special and happy. That would be what she would want. Much love at this time and always, Bart and Joyce
