“ Carol, I can't imagine not talking and laughing with you again. It hasn't and never will be the same on Facebook without you! I miss you dearly. We've been friends since childhood! I think that Slovak and Polish blood held us together. May God let your soul rest in peace! Prayers for you, Dennis, your other friends and family! Love you girl! Thanks for being such a light for all to see! I pray to see you in Heaven!
