“ Carol and I were on the Board of Faith In Action, Caregivers, serving the people of Ohio and Marshall Counties in WV and Belmont County in Ohio. Carol was a blessing, using her many talents and resources that she used in her professional life to be able to help so many others in need. She was an inspiration to all of us on the Board. May her memory be a comfort for all her friends and family and a blessing. May she rest in eternal peace 🕊️❤️ AMEN. With my deepest sympathy, Bob Cilles.

“ Carol was my instructor and head of BM Spurr, class of 1990. She had a smile that would light up a room and so soft spoken but with authority when needed. She showed us compassion, guidance and knowledge. I recently had the pleasure of dining with Carol during Rotary dinner and had such a nice conversation. We have definitely lost a wonderful person and now Heaven has welcomed her home. My sympathy to her family and may God comfort you during these times... Jane Hare

“ *Carol was an intelligent, kind, caring, empathetic, and compassionate person who was loved by family and friends. She was dedicated to her profession and recognized by her peers for her excellence in nursing and medical care. Carol was dedicated to her family and loved ones, her faith and church, and served her community in many ways. She will be sorely missed but most certainly is amongst the Heavenly Choir of Angels!*

Carol has been part of my life for over 53 years. Professionally in 1972 Carol Parson was my first clinical instructor at OVGH School of Nursing. Our Family ties started in 1997 when my son Jason escorted Carol's daughter Tiffany to the Prom at JM and then the couple married in 2002 and then we welcomed baby Maggie in 2008, and then we shared every milestone of our granddaughter's life. Carol's friendship and faith was extended to me in 2017 when she was at the bedside of my Mother. thank you Carol for being part of my life throughout these years! My prayers of peace, comfort & strength for all of her family and for all those her life has touched. God Bless You. Donna Turner

I first met John when we were neighbors in McMechen and our daughter was a student at Bishop Donahue. Then later John and Carol were on a Wesley in England study trip with me. We had the greatest adventure. John was a born comedic. We could not stop laughing. Carol was such a sweet, kind woman. Great friends.
