“ *Mom, you have ALWAYS had my interest at heart. From the time I was a little girl to the very end with you. There will forever be a hole in my heart until we meet again. You have been there to pick me up and you let me fall on my knees as well. One thing that I can say is that I am proud to call you "My Mother". We have shared tears, laughter and sorrow but most importantly, love for each other. I am praying that you are resting in peace now with no more pain and Grandma & Granny by your side. I will love you forever and always. Until we meet again...your very spoiled brat, Punkydoo ?*

“ *My memories are few because of being estranged from my family for years, but I do remember she was a lot of fun and seemed to make everyone around her happy. Please know that I love you, Gidget, and pray you have comfort and understanding from God and feel His arms around you. Love you! Tia Lea Palmer-Moore Pace*

“ *She was a terrific lady. I'll miss her and the long conversations we had over coffee on that porch, as well as her great sense of humor. I'm so glad she got to take that trip to Alaska, and wish she could have experienced more.*

“ Where in the world do i begin, your mother has been our neighbor for 7 years, in the last three we have had the great pleasure of getting to know and spend time with her. Cannot express enough how much she listened to Hannah and I always babbling about someone or something, most of the time caused we were peeved! Being that we needed advice and wisdom of how to do certain things she was always there to help. She taught me how to can my first ever batch of deer meat, i was watching the pot too much and she scolded me that a watched pot never boils Christine, come sit. lol! Sounds like her right? The list goes on, We will always see her on that porch as we go by to work waving at us. My heart breaks for you being i have been where you are and it is never ever easy. Hannah and i also realized that through all of this we have found such an amazing friend in you Gidget (Carl and Sophie too) ! Whatever you need we are just a beep away! Love and Prayers!!
