“ When Todd was 2 years old, my mom, brother, Sue and I went to Aruba. They were living in IL at the time. So Mom and I went to IL and we flew out of Chicago the next day. But, what I really remember is Sue and I staying up (like young girls) talking and laughing most of the night. That night we went from being sister in laws, to being friends. We never lost that caring and love for each other! Until we meet again, my friend, I will miss you and love you.

“ Sue and I went thru Moundsville High together. We shared many lunches together in the auditorium ... what a different experience! When she returned to Moundsville and was working at Kroger we reconnected and shared some good times. She was always smiling and happy. She was one of those people who found good in everything. May your next journey be as memorable as this one!
