“ *I worked with Carolyn for many years. She is at last with Ron. They were so much in love. We did many things with them—they knew every eating place in the Ohio Valley and beyond. Carolyn will be missed. Rest in peace my friend.*

“ I met Carolyn back in 2001 at Wheeling Hospital as a unit receptionist like her. She was very mouthy which everybody knows the way she was. I gave her the name Queenie as an inside joke when I gave her a candle. With the title Queenie. It was my pleasure of knowing you all these years. I will miss our luncheon that we would have together either in a restaurant or even at Wheeling Hospital cafeteria. But you're with the honey, your love of your life now. I will cherish the memories that we made. our friendship blossom over the years and you left me with a lot of good memories. My deepest condolences to Cara-Lyn's family. She spoke of them often to me.
