At the state level, she served as a member of the Girl Scouts' Board of Trustees and on the Board of Directors of Appalachian Outreach. Locally, her activities included serving as the service unit director for Marshall County Girl Scouts, on the first Advisory Council of CASA, and as

a member of the Strand Theatre Preservation Society Arts Council, the Oglebay Institute's Mansion Museum committee and the Moundsville Woman's Club. In 2011, she was honored for her outstanding contributions to the community with a Tribute to Women Achievement Award from the YWCA Wheeling.

She is survived by her husband of 41 years, David Dalzell, Jr., her son William (Susan) Dalzell of Dayton, Ohio, and daughter, Elizabeth (John) Selvey of New York City, and three grandchildren, Liam Dalzell and Alice and Baxter Selvey.

She was preceded in death by her brother, Jay Ginter, and her parents. Family will receive friends on Friday, January 24 from 2-4 and 6-9 p.m. at Grisell Funeral Home and Crematory, 400 Jefferson Avenue, Moundsville. “ So sorry to have just learned of Carolyn's death. She was a lovely woman. I was a student at Wheeling where she worked, and I sought counseling from her the year after the death of Father Stephen Laut, S.J. She provided great comfort and healing as she helped me through my grief, helping me to remember him, in the words of Judy Blume, "full of life and full of love," and to remember him with laughter rather than with tears. She helped me through the other crises of that year, too, and made the difficulties of senior year more bearable.

“ I can't believe she is gone. She and David entrusted me at age 12 to babysit two wonderful children; a 4 year old and an infant at the time. I watched those two children grow up into wonderful adults. I know you are hurting and miss her a lot. Just know that she will always be a part of you. I know I will miss her tons. Thank you Carolyn for being my Sunday school teacher, leading our youth group when we needed someone, and most of all allowing me to a part of Will and Elizabeth's young life. I will always love you all.

“*I've sat beside your wife @ the Wheeling Symphony concerts these past two seasons. Carolyn was so pleasant and friendly each time. We had several discussions about the Girl Scout programs that she & I had participated in during our youth as well as current scouting activity in the valley. What a treat that was for me! I missed you both @ the concerts. I hope that David will be able to come back to the concerts; I'll most likely be there, one seat away. Carolyn's passing , as so many have written, is like a light being snuffed out; a great loss for the Ohio Valley. Sincerely, and with a heavy heart, Ginger Kabala*

“ David, Will, & Elizabeth,

I was shocked to learn of your loss and offer my sympathies. Carolyn was a wonderful, caring, and kind mentor to me during my time as a student at Wheeling College (84-88) for which I remain forever grateful. She was always a "light in the dark" and "a smile in the crowd" as I mostly remember our interactions. She embodied what Jesuit education is just by simply living her life as a kind, compassionate human being.

This is such a loss for your family as well as for the community. May you find peace and comfort soon.

“ Carolyn was one of the most healthy-minded and life affirming people I ever knew. I had the good fortune to be her colleague at Wheeling Jesuit for thirty years. She was a positive presence, not only for the students, but for all of us on the faculty and administration. I know that her goodness radiated out into the community with her energy and practical wisdom. Marian and I offer out deepest condolences to you, David, Elizabeth and Will, and to all the family and friends she nurtured. Carolyn was a light which always shone so beautifully, and in her memory it continues to glow.

“ I am so fortunate that Carolyn was an integral part of my history. Almost every memory from my daughter Cara’s childhood includes Carolyn and her daughter, Elizabeth. She truly was a second mother to Cara.

In addition to numerous play dates with the girls, together we attended Simpson Church, led Girl Scout troops, and participated in activities when I worked for United Way. But mostly she was a remarkable friend during a very stressful time in our family. Carolyn simply included us in plenty of “normal” activity and these respites helped us get through many difficult days. Every time I hear the song, “Lean on Me,” I think of Carolyn.

Carolyn impressed me with how she made the most of every minute of her life, and taught me the art of multi-tasking. It was absolutely amazing to watch how much she could accomplish at once! As busy as she was, Carolyn also took time to lead a healthy lifestyle. We would occasionally take walks together, and to this day whenever Cara and I have raw veggies, yogurt or grapefruit.....we always think of Carolyn. I don’t have any memories of Carolyn being angry or unkind. Unfortunately, after I moved out of the state, we were in touch much less. However, when we did communicate, we easily picked up right where we left off. Her unexpected passing leaves a huge void for us, but we’re so thankful for Carolyn’s special touch on our lives. She lived her Christianity everyday to everyone.

My deepest condolences to David, Elizabeth, Will and their families. We profoundly share your sorrow. May Carolyn’s love, and your warm memories, bring you comfort.

“ I just learned of Carolyn's passing today from Brian O'Donnell, SJ. I am both shocked and saddened as she was such a special person, gone too soon! When I first arrived at Wheeling Jesuit, she introduced me to so many individuals who worked in service to the Wheeling community -- Jim Ellison, Sister Constance, and so many more. Their deep respect for the work she did in getting Arrupe scholars into the community was apparent. Without her, Make A Difference Day would not have been so meaningful to so many students, faculty, and staff. My condolences to David and the rest of her family.

“ *The world is truly a lesser place without Carolyn in it. She was my role model, mentor, and confidante throughout my years at Wheeling. She helped me to find my direction in life, and, as a psychologist working in a college counseling center, I have tried to follow in her footsteps, falling far short of the mark, but so happy to have set my inner compass in that direction. When I knew her she was a young mother, and as others have noted, she spoke glowingly of her husband and children. It wasn't until I had my own children that I came to understand just how remarkable her seemingly endless supply of energy, patience, and optimism, fueled by a deep and loving faith, really was. My most heartfelt sympathy to you, her beloved family.*

“ *Carolyn Dalzell was a piece of heaven while here on earth. I knew her from 1987-1991 while attending Wheeling Jesuit College. She was the most positive person I had ever encountered at that time and I loved being in her presence. She had the most contagious smile and beaming personality that made me forget about my worries. She was truly a special person who genuinely cared about her students. I will never forget her and at this moment I feel challenged by her to step up my own attitude to help carry on the light that she so generously shared with all who knew her. God bless her family with peace that surpasses all understanding.*

“ I knew Carolyn for twenty years, and she was my favorite administrator at Wheeling College (now WJU). She was always relentlessly bright, perky, cheerful, and smiling. I remember my mother spending some nights with your mother David when she was having a hard time late in her life. Your family was always so good to Mom & I know she would want you to have her love & thoughts at this time. You were so blessed to have such a wonderful woman like Carolyn in your lives. I always enjoyed talking with her in passing & admired her so much for her unselfish works. My son Brandon also sends his thoughts & prayers to you.

“ Carolyn's Family:

Carolyn was a wonderful colleague. She made a difference in the lives of many students. It was always a pleasure to meet with her. She loved life and exuded enthusiasm and concern for others. We are all thinking of you during your and our time of loss.

“ *Please accept my deepest sympathy. Carolyn was a wonderful lady who was always smiling and had something kind to say. I knew her professionally through her involvement in the Upper Ohio Valley Career Services Consortium and later as a colleague during my time at Wheeling Jesuit University. She always made me feel better when our paths crossed. I am glad I had the chance to know her.*

“ Carolyn certainly was an angel here on earth. I first met Carolyn when I began taking my son to the Something Special Group around 10 years or so ago. She was an exceptional person and loved by many! Her eyes sparkled when she shared "grandchildren" stories. They certainly made her heart shine. She made a tremendous contribution to many and will be greatly missed! My deepest sympathy to her family at this difficult time. Thank you so very much for sharing her with us!

I knew Carolyn from attending Wheeling College from 1976 to 1980. I loved to talk with her. In the years since graduation, I have encountered her and was able to catch up. What a wonderful spirit. She was truly a kindred soul. You have my sympathies. Vicki Novick
