“ Rhonda and Lynn,
You Mom was one of the nicest women I have ever met. I always had a nice conversation with her when I was at the funeral home. She would update me on your lives, she was so proud!! I was so sad to recently hear she passed away, she will truly be missed.

“ Lynn, Rhonda and Family, My thoughts and prayers are with you doing this time. Your Mom was one of a kind! That smile was always welcoming...I fondly remember the time we had a scout camping trip to Olgebay planned ...and she offered to take you gals up to the site and arranged with the other Moms to stay the night with you so I could attend a special outing that came up out of the blue. I arrived at the campsite ... they had taken you girls to the program at the outdoor theater ... back to the campsite ... did the somomores and had you all tucked in. She always stepped up and helped everyone! You gals were blessed with one special family! I know you will miss her ...but remember she is always with you ... her smile is still there to welcome you!

“ *Hello Lynn and family. Way back when your family opened your doors to me when we were playing softball and took me to some of our tournaments. Your Mother was always kind to me during those times. I just wanted you to know I remember and cherish those days and am grateful to your family for the kindness that was offered to me. She was also very kind during all my family funerals. Always a friendly and caring person. Though it was way back when your Mother will be missed. Nancy Ellefson*
