“ Her love of Elvis and being one of my best friends will stay with me forever. I remember wearing on of her Christmas sweaters and it being huge on me. I also remember picking out books that I want out of little magazines with her. So sad that she's gone, I will miss my grandma Carol.

“ *I first meet her when I worked for Dr Spencer in High School. What a fun lady. She was honest and direct with me. I loved that as much as I loved her laugh. Heaven gained such a wonderful angel.*

“ *Carolyn was such a wonderful and caring person. She has been at Dr. White's forever, she was a mainstay there. She and my sister-in-law, Marilyn, were always so great with the animals. My Mom, Bea Vogel, had a dog that was about 21 yrs. old when he died. He was at the clinic more than he was at home the last few months but they cared for him so wonderful. You will certainly be missed Carolyn. My best memories of her was when she shopped at Save-a-Lot and I was always telling her stories about Benji or Tess and she always had time to listen. RIP Carolyn, I will miss seeing you in the clinic and the store.*

“ *Oh my heart is broken. I worked with Carol at Dr White's and she took me under her wing the first day I walked in the door. I loved Carol just as much as if she was my own grandmother. Always with a smile on her face and pep in her step. You made this world a better place and will be missed terribly*
