“ Sharon, Gina and Debbie, I am was so saddened to hear Cary passed away. He was such a gentle spirit and I will always remember his kindness. He was always open to hosting a car wash to raise money for one of our high school events or do whatever he could to support his family and community. My heart aches for you all and I will keep you in my prayers during this difficult time. Blessings.

“ Sharon and family, So sorry to hear about Cary, and praying for God's love and comfort to help with the pain of your loss. Cary and I go back a long way and I'll name just a few of the great times we had together. The first time I kissed my wife of 53 years was in the back seat of his little white 46 ford. I helped him cut pulpwood while we were in high school. We rode to work together while at Hercules. We went to the drag-strips together, I worked on cars with him in the shop and painted cars for him. I helped a little with pouring the foundation on their home in Gap Mills. Many, many, more things I could say about this guy that I thought the world of, but I'll just stop with this last one. I would always get a smile on my face when someone would come in and ask the price on anything. His response was always the same--- Well, beings it is you !! A great guy and friend that will really be missed by everyone that met and knew him. Clarke & Nancy Blankenship

“ *My condolences to the Hess family. When I lived in Gap Mills, I bought several cars from Mr. Hess. He was such an honest man. If I looked at a car that I was interested in, he was honest enough to tell me, "If it was for my wife, I would tell her no on that one, it may cause you trouble later." He did repairs on my cars, and would never try to cheat me as a woman, which happened most of the time with others! His honesty and integrity made him a great man. He was such a welcomed part of the community.*

I know words cannot help with your grief at this time, but may the love he showed you during your lives stay with you forever, and bring you consolation and peace.

God bless you all.

Rest in Peace Mr. Hess.
