“ I remember Casey was always a quiet fella ... I remember a student had said something kinda ignorant and Casey said something in return it left a few of us speechless, I just know it was very funny on what he said ,but he acted like it was another typical day, but he was always keeping to himself being a good guy of being quiet and not bothering nobody I'll miss him for sure
He always had a heart for helping others when he could and that he always tried his very best to help ,whether it was a problem or advice giving to others in need of a solution

“ My first memory of Casey was preschool in New Martinsville. My son Adam was in the same preschool. Later it was when I had him in class. He grew up to be a nice young man. I know he loved sports and will be missed by many. Anita Lemon

“ Mr. Tisher was the most down to earth guy I knew, he always had a smile on his face and always knew how to make his students feel included. He would always crack jokes at us, he was my favorite teacher and I always enjoyed being in his presence. He will be missed by all but never forgotten
