“ *"Crissy" was a great friend to my sister Virginia, and I had the privilege of meeting her a couple of times, the last time to set up her Internet service. Hard to believe this has happened to somebody so vibrant and alive. Crissy, your labors and trials are at an end. May you rest in peace. I fondly remember you.*

*To say I am sorry doesn't convey how I feel at Chris' passing. When we would run into each other she was always nice & cheerful. Like old friends who just spoke the day before, we would talk & talk. Chris was always so full of life in whatever she did. Whatever Chris' demons, she is now at peace. It's my hope those of you surviving will also, in time, find that peace. Hugs & prayers to all. 🙏*
