“ *I hate that I'm late in learning of Cecil's passing. But Cecil was my brother in law for several years. I've many great memories of him in the Texas City Police uniform. One memory I have of Cecil is one time he had pulled his patrol car in behind my boyfriend's pick up at made like a disgruntled police officer at having to shew us away from the parking site that Floyd had parked at. Cecil will be greatly missed.*

“ Dear Ingold family I am truly sorry for your loss prayers out to your family. I had the proud honor to work with Cecil at the Freeport Police Department for nearly 5 years. I also retired in law enforcement in Texas. He was an amazing police officer and man to work with, I have very fond memories. He was smart, strong, fair and compassionate about being excellent as a peace officer and friend to all! Now he is one of the Lords Centurions!
