“ To the Chaplin Family. I'd like to extend my condolences to Peggy's entire family. I knew Peggy and her parents for a long time. I remember all the good times at their home and at church growing up. My prayers are with you. I am sorry to hear of Peggy's passing, but she is in a much better place now. And the comforting thing is that Families are forever. And that she is always in your memories and hearts forever. God bless you all.
