“ I only had the honor of meeting you one time. I could tell that you were a kind, caring, and beautiful person from just that short time. You made me feel welcome from the time I arrived. So many people loved you and will miss you. You were considered A Jack of All Trades. It seems that you could do just about anything you put your mind to....and that came from some very reliable references.....your family. You were loved and admired by so many people. I just thank God that I had the honor of meeting such a wonderful and caring woman. RIP CHARLIE Fly high, girl. Thoughts and prayers to your family.

“ My heartfelt condolences goes out to all the Rutan family for this tragic loss. My fondest most recent memory of Charlie was the day she came to the house and asked if she could have a couple of our chickens and we said of course she could have them and she just scooped them up and put them in her car and drove them home. You will be deeply missed by many. RIP Charlene!!!
