“ I will always miss Uncle Charlie. I will always remember visiting Nancy and him at the trailers, and eating Nancy's delicious pies. Uncle Charlie had the best story. I still recall the goose he had when I was a kid (oh how I hated that goose). But he loved it and called it the best guard dog. I am sorry for your loss. Angela Brown Kim.

“ My prayers are with the family. Spent plenty of weekends or summers as a kid and it was great to see Charles chasing one of the kids, all the laughter, and even putting up with Hee Haw because it gathered the whole family around for those big belly laughs. My heart goes out to all of you. Dixie

To Nancy, Rick, Kandy, Bruce, Shari, Charlene, family, and his dear friend Toni.

I'm so very sorry for your loss, I hope all of you know that I would have come to see him if I could have. I have read tributes from others about his smile, They are right, I never saw him without a smile. He was always so friendly and seemed so very happy with life.

I saw him at Kroger one day sitting in his car, he asked me to come and see he and Nancy. I told him I would but I couldn't get into his trailer. He told me that if I came down he would come outside and visit with me. I had plans of visiting twice but both times it rained and I didn't get there. After I injured my shoulders and couldn't drive anymore I didn't make it down to see he and Nancy.

Take comfort that he is now with his beloved son Eddie and happy to be together.

Please remember you are all in my prayers,

I love you all,

Leslie
