“ Outside of my dad, Charlie was one of my first coaches ever to introduce me to the sports of football and baseball. Through his coaching and mentoring, you could see the love he had not only for the sports and his kids, but for the rest of us as well. He could be tough when he needed to be, but gentle the hand was needed.

Thank you Charlie for the memories and your time! Prayers to my dearest friends Sue, Dave and Karen.

“ So sorry about Charlie. One of the colorful and sometimes controversial characters from my past who I will always remember, and thankful I got to know. Charlie really enjoyed coaching his own kids and others just as much. It was even a pleasure to umpire games , when he coached.

I'm sure he enjoyed his time on this earth and was proud of his 3 children and grandchildren, and the adults they became. My thoughts and sympathy go out to all of his family and friends.
