“ Our dearest Doris and family, What a sad day this has become, learning of Buds passing. Just a few days back I was looking at our wedding pictures and my best man, Bub couldn't find the ring when the minister asked for it. Instant panic, then with a sheepish grin he said , oh here it is. You had to love this guy. Friends from high school and beyond. We all will miss this Buddy. We love you girl. We will all meet again one of these days.

Always willing to give his time, energy, and wisdom to help other out. Not only us personally but many other people and organizations. The world will miss his kind, generous and selfless ways. Not many people in this world like Bud, he is one of a kind. We are so thankful to God for Bud and the precious friendship we've shared. All our love, hugs and prayers to the Estep family.
