“ *Spent a lot of summers with the family before we had to move away because of my dad's job. Charlie even put a new front porch on my parents house. I think of those memories often. My prayers are with all of you. Juli (Dvorak) Buschagen*

“ *I think it is impossible to share what I know about uncle Charles. He and Judy shared their home with me several times when I visited the area for multiple reasons. I played golf with uncle Charles more than once and I enjoyed each and every time. Pretty sure it would be extremely difficult to find a better man to to help model my life. Uncle Charles was in my top ten. As mention in a previous post my uncles Isaly were/are a fortunate accident of fate for me. Somethings you just have No control over but hey... lucky me! I loved the man and will miss being able to see him again.*
