“ Charlie was one of a kind. You always knew where you stood with him. He was a great asset to the folks we worked with. He had a special place in his heart for one young man in particular. Charlie told me on several occasions that his life was saved by that young man being placed in it. I'll never forget that. Prayers for your family. ❤️

“ I was one of Charlie's bosses at REM for a few years and he was always one of my favorite people to work with. We had many conversations about life on a lot of our travels while working there together and I always enjoyed our long road trips together to Elkins a few times year. My thoughts and prayers are with the family.
