“ My condolences to Christy's family. Christy and I taught First Grade together at Sanford Elementary School beginning in 1971. She was also my daughter's teacher. But I knew her long before that through her wonderful father, George McCulley, who was our first Athletic Director at Bishop Donahue High School in the 60s.

“ It is unfortunate that sometimes it takes a sad event to cause us to pause and remember all the blessings of having cousins like Christy, George, Mike, Pat, Tim, Jane Ann, Marggie and Barb. Some of my earliest memories were sleep overs at the McCulley’s and hearing Christie play the piano. She was very good and although I never showed it, I sure liked listening to her play. But boy would she get mad if George or I touched her piano, which of course we would do to annoy her. I remember Christie as a beautiful, smart, kind girl that I looked up to. Years later when I saw the manner in which she tackled the insurmountable challenges that came her way, I truly admired her strength, her faith, and her courage...and questioned if I could be that strong. I mention this because Christy and her siblings have made a positive difference in my life, and I will miss her as I do George, Pat, Tim, and Jane Ann. I hope they are all together now and Christy is playing her piano. God Bless.
