“ Dear Phillip and family. I am so sorry for the loss of your Dad. Chris was a very good friend to me and Chad thru the years when you boys were growing up. He was like a Dad to Chad when you boys were together. We shared good times. I remember our fund raiser we did for TJ together. He was the brains in the event. He was awesome and was always smiling and giving his wonderful laugh. And the most caring and loving thing Chris ever did was to come to the hospital with my family and pray for my Mom when she was terminal. My Mom was so grateful and said how special he was. And his amazing words he spoke at my Mom's funeral touched our hearts. I will always remember Chris for all he did and all who he cared and prayed for. Although I can not be there with you today, I will light a candle for my friend who is in heaven and feeling no pain. Love you Phillip. With all my Love, Lisa Nickerson {Chad's Mom, LoL}

“ Chris was such a great friend . He was the pastor at Belmont Manor when my mom was there. She thought so much of him. He was broken when my mom passed away because he didn't make it to see her before she passed. He always had a powerful prayer and sermon. I know he's in God's House and he is helping take care of those we lost. I am so sorry for your loss.
