“ For Our Wonderful and Dearest Friend CINDY, That ROBBY and I thought of as a Sister. God blessed us when he brought you into our lives especially ME. I've never had a Friend, and when I met you, and we became Friends, I thought God had brought me a Sister that's just how I thought of us SIS. It was an answer to my prayer that I could have someone to talk to and share things with since I didn't have anyone else and never had. I believe we were there for each other though good times and bad and I thank you for that. You were the Greatest Friend anyone could ever ask for, when I mentioned you to anyone we knew I always called you my SISTER and most people that seen us together thought we were SISTER'S, but as a great and kind person that you were, you helped people when you could, you always thought of others and worried about them before yourself, and I believe that you would give the shirt off your back if someone needed it that is just how wonderful you are. I'm very sorry that your Family and Friends are suffering and that there hearts are broken. God will heal our broken hearts in time but we will never forget you. SIS I will miss you more than anyone can know and I am sorry that our time together was taken away so soon, that I'll see you again when our father in heaven is ready for me till then I LOVE YOU and WE'LL MISS YOU...
