Thoughts and prayers to family and friends. My heart goes out to Jessica and Nevaeh please hold your happy memories close and remember how much you are loved.

Thank you Claybird for the wonderful memories growing up. I will remember you fondly. All of our weekend bon fires at the Corleys, football games, shooting pool at the bowling alley, driving around town just because and so many more. I hope you and Travis have reconnected and are watching over your families with those great smiles you both have.
