“ Scott, Prissy, and family: I wish I was able to stay in town one more day and come down to see your mom, your mom was such a great person ! She always had a warm smile and such an outgoing personality , I remember from the time when I was a small child going to your house and thinking your mom was the coolest person I knew and would say I wish that my mom was like that , she always had such great style and seemed to always be having such a good time ! Just last year she took Cheyenne driving her corvette and Cheyenne came back saying the same thing , how cool is Mary Ann, she will always be remembered with such great memories. I will be thinking of you all and keep you in my prayers . Please keep in touch ! Love you all and I am here to give a hug or lend in ear. Love your cousin ! Laura and Don
