“ *Jonah, Noah and Families*
I am so sorry to hear about the loss of your Mother! She and your Dad so graciously let me share your elementary years that have lasted all these years! She shared her love of ceramics with us at Glen Dale Elementary ... oh what fun that was. I know she is happily reunited with your Dad ...and filling him in on all the family times. Another special angel to keep watch over all of you. Thinking of all of you ... extra hugs! Betty

Betty Duffy said my thoughts and sympathy exactly as I would have said it. I still have her beautiful ceramics in my home(lots of them!) and enjoy each one.
Special prayers and condolences to you and your families on this sad loss.
