“*Life is a trip but My Dear Aunt Ada .. Yours was a well planned journey! You told me many times ... you didn't want to live to be 100 (I wanted you to!) You also said you didn't wan to be a burden to anyone (You weren't!) That afternoon, you told me maybe the next heart attack might just take you (It did!) You said "Don't be sad. No one lives forever!" But you will in our hearts! "Just as the sun sets on one so very dear We know a soul who lived so well remains forever near. Enjoy your reunion with family You leave us with wonderful memories." P.S. Same me a seat ! (just in case I make it!)*

“*I have known Ada for 38 years as my neighbor and friend. Her house and porch were ALWAYS open for her family and friends. She loved to sit in her chair or swing and visit. Many times in later years, she couldn't hear well and she and my Mom would just sit. Company, that's what Ada liked. She was a dear friend to Grace Yost and Donna Owens. She was a friend to my children growing up when they visited their grandmothers, her neighbors. Ada made everyone feel special whether they were young or old. She made Brian and me a quilt when we got married 28 years ago. It is on our bed to this day, parts of it falling apart. It has always been so special to me, but now holds an even greater place in my heart. I love you ADA!!! Thanks for the wonderful memories.Love, Christy*

“ Ada, If God has yard sales in heaven you and Mom will be back to your old tricks and Henri may be there with you too! You and Mom were the best together just like sisters and Mom loved you very much My life long neighbor and great friend, I remember as a little girl you teaching me how to bake and how to make Mock Apple Pie! I will always have those memories. You will be missed greatly by me and so many people. You have gone to your reward now to share with so many loved ones. Give Mom a big hug for me. Love you Nancy Doug and Brent you know how I feel without me saying anything and I know that no words help in getting over your loss. But we all share in your sorrow. I love you both, always have always will.

“ Goodbye Aunt Ada, You were the glue that held our family together for all these years! Your home was the place we could all come to and know there would be welcoming arms and acceptance. You were always the listening ear and comforting should ... you never criticized or condemned .. you accepted us for who we were ... I will miss rounding the corner and seeing you waiting our arrival ... our Saturday adventures will long be remember and talked about ... and laughed about. Take care our guardian angel! We love you!
