“ Courtney,

*You are a very dear friend of mine, who will be sadly missed. I still can not believe this.*

*You made all the days of your life filled with joy, happiness and great memories. We had such great times whether it be playing cards, riding around on the creek, or just throwing back a few cold ones, those memories we made will never fade. Even though we didn't see or speak to each other as much as we had in the past, I didn't think any less of you. You were a great guy with a heart if gold.*

*Cherished memories, Always in my heart and on my mind.*

*I pray your beautiful children, grow to know they were your number one priority and you love them very much. I pray they feel your presents with them throughout the years to come.*

*Rest in peace Big guy.*

*Until we meet again.*

*Forever your friend. Pauletta*
