“ *My sincere condolences to the family and dear friends. It is by no means easy dealing with the death of a loved one, nor does God want to see us suffer. For this reason, 1 Peter 5:7 states, "Throw all your anxiety on him, because he cares for you."*

“ My Mother...my best friend...I miss you so badly! My love for you will never fade. You were a great mother and a wonderful grandmother to you're 10 grandchildren and 2 great grandchildren. I wish you could watch them grow in person, but I know you will watch over them all. Rest in peace mommy. I will find comfort in knowing you are with God and are no longer suffering. I hope you enjoy your new body, home, and eternal life in heaven. I hope to feel your presence throughout the rest of my life...in my heart, in a breeze through my hair, in rays of sunshine, however it may be. I selfishly wish you were here to hold my hand and tell me how to get through this! I love you so much Mommy!
