“ I was so sorry to hear of Kriss' passing. He was indeed a very special man and an all-around champion in the eyes of our North family for all those years he worked doggedly to keep our school open and get a gym built for our students. In doing so, he made (and will continue to make) a difference in the lives of so many - both students and teachers alike. I know his life changed drastically after he suffered his stroke, but he was blessed to have a wonderful wife in you Sandy, who gently cared for him through all the changes that event precipitated. I know that you had hoped for many more years together after your retirement from North, but take comfort in knowing that now Kriss is whole and complete and watching over you from Heaven, basking in the love of his Creator, who loves him even more than we did. Sincerely, Kathy Thompson

“ I am sorry to hear about the loss of your dear loved one. Please accept my condolences at this painful time. Losing a loved one is distressing and as comfort is needed from family and friends, it is my hope your family will find comforting the promise at Isaiah 25:8 where we are assured that "death will be swallowed up forever." It is my hope your family will find strength to endure during the days ahead.
