“ Dalton will forever be in our hearts. He was fortunate to have such wonderful loving parents. Life is not easy with the worries for the well being of a child that had Daltons needs. But you embraced and loved him everyday of his life. I will always remember his passion for swimming, Barney, Thomas and his unique ways. His Papap was waiting to greet him and has him now. Trace you looked out for your big brother and he was lucky to have you. My heart breaks for you all. 🙏 I have so many wonderful memories of the first little boy to ever steal my heart. I feel fortunate to have been a part of his life. Until we see him again we will keep him in our hearts.

“ Robert I remember the times at work when we talked about Dalton and how you all worked so hard to get whatever help you could find for him. I so sorry for your loss. I know how hard it is to loose a son, in time I hope you will find it will get easier to deal with, but you'll find it doesn't necessarily get better. Stay Safe my friend and may God Bless Your family at this sad times.
