“ Sending my heartfelt sympathies to all of you. While Danny is in a much better place, I know you are all feeling the pain that comes from losing someone who meant so much to all of you...The last time I saw Danny he was just a wee little guy running around and having fun! We have to believe that now that he has gone HOME, he is back to that carefree little boy. Sending all my love to all of you, especially you Deb... Love you Cuz!! xoxo
