“ Danny was my best friend in this world. If you ever watch the movie tombstone there's a line in it where one of the guys ask doc holiday what he was doing there because he was so sick and his response was Wyatt Earp is my friend, The man responds heck doc I have lots of friends and doc responds I don't!! Danny was my Wyatt Earp. I always told my children when they were growing up it's nice to have lots of friends but if you have just one and it's a really good one that's all you need.
