“ *Our condolences to the Stocklask & Guzek families as well as his neighbors & friends. We knew Danny as his science teacher, class sponsor, fan of his wrestling, singing in chorus, helping out with horses & tractors on class trips to the farm & Patterson Creek. His great sense of humor & genuine friendship are cherished even now. Blessings on each one.

*“ Absolutely heartbroken to hear the news of Danny. I never knew anyone to face adversity like he did and still keep a sense of humor and remain positive and upbeat. I am at a loss for words. This kind of news is always hard to take, but this time of year makes it all the more painful. My thoughts and prayers go out to the family. Rest in peace Danny. You were one of the good ones.*

“ My heart goes out to all of Dan's family and friends. Dan's passing is a loss surely to be felt by many, many people who were touched by Dan's kindness, generosity, dedication and friendship. I can't imagine a bigger fan of youth baseball in Marshall County than Dan. My grandfather, Ward, and Dan were longtime Elites buddies, and despite the age difference between them, could talk Pirates baseball for hours! When my PapPap passed, Dan even placed a baseball card in the casket. I pray for each of you to find comfort and healing and I pray that even though things may feel awful right now, to take solace that Dan's struggles and pain are now behind him and he is at peace for all eternity.
