“ I have many memories, mostly involving the cabin. If it was rainy days playing euchre during hunting season, or just talking about hunting and sharing stories. The one that sticks with me is an early morning running the ridges in the spring. After most adults were recovering from the previous night, I awoke to Danny being down stairs drinking coffee, asking if I wanted to go run the ridges. Being only about 10-12 years old, I was down. So we set out in his GMC pickup. That trip had to be one for the ages. Seeing upwards of 25 deer that morning, it was literally every turn. Finally coming down Z-hill wrapping up the amazing morning, there is a doe with triplets standing in the road. One of the many memories I have, but definitely my favorite. May you Rest In Peace and enjoy that eternal view from the Flat Rock.

“ I remember Danny from softball many,many years ago. He was our coach for a while. He was a nice person and he made me laugh. His sister Joyce coached us after that and she still makes me laugh. I know she'll miss her brother very much and I pass along my deepest condolences to all of his family. Rest in peace Danny. You were loved by many.

“ *Oh brother of mine...I can think of so many things to say about our years together and all of the ups and downs. I will miss your phone calls asking how much snow I have and laughing because you had none. You always were there for me when I needed you. Always! I know you are at peace now and for that I am grateful. I will miss you dearly and although we rarely said it to each other, I hope you knew I loved you. Fly high big brother!*

“ *My crazy, funny, mischievous, and lovable cousin! I will miss you so much! We didn't get to see each other often, but that didn't lessen my love for you! May God hold Pam and Joyce and all the kids in his loving arms to give them comfort, peace, and strength! When you see Judy, I know you two will be acting crazy as always! Give her a hug and kiss for me!*

“Wow, what a shock! Thinking back over 40 some years of memories...and there are a lot of them. We met because of your service to State and Country. We stayed close because of your loyalty, your hard work, and your dedication. You supported me through good times and bad at the Armory, weekends at Ravenna Arsenal, and summer camps at Cp. Grayling. You got me into hunting, which developed into friendship and kept us close these many years. Even when I moved on with my job, the cabin we built kept us coming back year after year. Then there were the bowling teams, the golf outings, and the many beers we shared over the years. As I think back over my life now and then, there will always be memories of time shared with Danny K. Adams. Pam and family, I am glad you found each other, and I offer my condolences on your loss.
