“*Darrell and I were familiar with each other in school, but, never ran in the same circles. After graduation we still crossed paths and seemed to become closer. We talked at length at Witchey's, gas stations, reunions and other places in town where we both happen to be. I tried to attend class reunions and tried to come early where Darrell and I helped to set up stuff and sometimes helped with the take down afterwards. He had one of the faces that I expected to see in 2020 till it got canceled. He touched a lot of folks in a quiet way. He will be missed. My condolences to his family and friends. RIP*

“ I graduated with Darrell. It is sad to hear of his loss. He would ride his bike past our house. He & I talked each time. Went to reunion dance and he was there. Prayers for all of you at this time. He was such a nice and kind hearted person.
