“ Dearest & so kind hearted Mary Margaret I'm so, so deeply sorry that Dave has passed. I lit a candle nightly during Dave's illness & now will continue to do so in memory of Dave & for your healing. I was blessed to have the two of you as such positive role models, while growing up with Becky & Brenda. I will always cherish & hold dearly all the time we all spent together on the porch & in the computer room laughing & talking on into the hours. May God send his angels for your healing. Greatest love to you & the Klug & Stine families.

*David was so kind to the children he taught and students felt fortunate to be assigned to his class. He was frequently on the playground participating in the fun. I felt fortunate to have his as a member of our family and he will be missed. He always had a smile to share and a thoughtful comment. The world lost a great soul. May you be in eternal peace Dave. Love you always
