“ I have been thinking about you and I decided to google you.I'm so very sorry to hear about Dave. He was such a nice man. Eric also really liked him, but what would you expect?They were both military men.
Again, my deepest condolences to you and just know that i'm thinking of you.

“ *David’s Mother taught me at Central Catholic, class of 1970. She was so proud of her sons and would speak of them often. His Father was the absolute best chaperone when we went to basketball tournaments in Huntington. My condolences to his family. I know his parents were there to greet him. Thank you for your service. May you rest in eternal peace.*
